As you enter Donard there is O'Keefe's shop/post-office facing you. Turn LEFT and then immediately RIGHT at Toomey's Pub up a road with a stone wall on the left, for 100 yards.

My house is the 2nd inhabited house on the right and has a dark brown wooden fence. If the house has two ponds in front of it you have gone one house too far.

Concise Version.

1. Get on M1/M50 south/west to N81 (20 miles)
2. Get on the N81 and go as far as the Old Toll House Pub on left. (24 miles)
3. Turn LEFT and go to Donard. (1.5 miles)
4. Ask in O'Keefe's shop where I live.
